PLEASE NOTE: The part time and casual rates in this wage summary are calculated on a 38 hour week basis. The award prescribes that part time rates are calculated by dividing the weekly rate by the number of hours worked by weekly employees in the establishment, or, where there are no weekly employees, by 38, whichever is less. The casual rate

is calculated by loading the part time rate by 20%. A further 1/12 of this amount is payable in respect of the entitlement to pro rata holiday pay under the Annual Holidays Act 1944.
