2. HOURS OF WORK AND FREE TIME OF EMPLOYEES OTHER THAN DIRECTORS OF NURSING

- (i) The ordinary hours of work for day workers, other than Directors of Nursing, exclusive of meal times, shall be 152 hours per 28 calendar days, to be worked Monday to Friday, inclusive, and to commence on such days at or after 6.00 a.m. and before 10.00 a.m.
- (ii) The ordinary hours of work for shift workers, other than Directors of Nursing, exclusive of meal times, shall not exceed an average of 38 hours per week in each roster cycle.
- (iii) (a) The hours of work prescribed in subclauses (i) and (ii) of this clause shall, where possible, be arranged in such a manner that in each roster cycle of 28 calendar days each employee shall not work his/her ordinary hours of work on more than 19 days in the cycle.

- (b) Notwithstanding the provision of paragraph (a) of this subclause, employees may, with the agreement of the employer, work shifts of less than eight hours each over 20 days in each cycle of 28 days.
- (c) Provided that on the occasion of an employee's written request, and with the consent of the employer, a 9.5-day fortnight may be worked instead of the 19-day month.

NOTE: This subclause is designed to ensure that rosters achieve increased leisure time for nurses, rather than reduced daily hours. This can be achieved by the working of shifts of longer than eight hours per day, with the result that less than 19 days are worked in 28, but without the accrual of an additional day off, as well as by the working of a 19-day month with an accrued additional day off.

- (iv) Each shift shall consist of no more than ten hours on a day shift or 11 hours on a night shift with not less than eight hours break between each shift; provided that an employee shall not work more than seven consecutive shifts unless the employee so requests and the Director of Nursing agrees. Provided also that an employee shall not work more than two quick shifts in any period of seven days, i.e., an evening shift followed by a morning shift, where the break between ordinary shifts is less than ten hours.
- (v) The employer is to decide when employees take their additional days off prescribed in subclause (iii) of this clause (as a consequence of the implementation of the 38-hour week). Where necessary, the employer must consult with the affected employees to ascertain the employees' preferences and must take any such preferences into account when arriving at a decision. Where practicable, additional days off duty shall be consecutive with the rostered days off duty prescribed in subclause (xiv) of this clause.
- (vi) Once set, the additional day off duty may not be changed, except in accordance with the provisions of clause 6, Rosters.
- (vii) Where the employer's decision (in accordance with subclause (v) of this clause) is that an employee's additional days off be accumulated, no more than six days may be accumulated in any one year of employment. By mutual agreement this may be extended to no more than 12 days at any one time.
- (viii) (a) Except for breaks for meals, the hours of duty each day shall be continuous.

(b) "Broken shift" for the purposes of this subclause means a shift worked by a permanent part-time employee that includes a break (other than a meal break) of not more than four hours and where the span of hours is not more than 12 hours.

- (c) Notwithstanding paragraph (a) above and subclause (iv) of this clause, an employer association representing an employer may apply to the Association for permission to implement broken shifts.
- (d) Broken shifts may be worked without the permission of the Association, but only where:
 - (1) it is for a period of one month or less; and
 - (2) it is by reason of an emergency in the roster, e.g., absence of another employee due to sick leave, annual leave on short notice or resignation; and
 - (3) the affected employees agree to work the broken shifts.
- (ix) (a) Each employee shall be allowed a break of not less than 30 minutes and not more than 60 minutes for each meal occurring on duty.
- (b) Where practicable, employees shall not be required to work more than five hours without a meal break.
- (x) Two separate ten-minute intervals (in addition to meal breaks) shall be allowed each employee on duty during each ordinary shift of 7.6 hours or more; where less than 7.6 ordinary hours are worked, employees shall be allowed one ten-minute interval in each four-hour period. Subject to agreement between the employer and the employee, such intervals may alternatively be taken as one 20-minute interval, or as one ten-minute interval with the employee allowed to proceed off duty ten minutes before the completion of the normal shift finishing time. Such interval(s) shall count as working time.
- (xi) Subclauses (ix) and (x) of this clause shall not apply to an employee who, before going on night duty, is provided with a meal between 9.00 p.m. and 11.00 p.m. and who is allowed two intervals of 20 minutes each during the period of night duty, but such intervals shall count as working time and shall be paid for as such.
- (xii) (a) Except as provided for in paragraph (b) of this subclause, an employee shall not be employed on night duty for a longer period than eight consecutive weeks. After having served a period of night duty, an employee shall not be required to serve a further period on night duty until he or she has been off night duty for a period equivalent to the previous period on night duty.
- (b) The provisions of paragraph (a) shall not apply to an Assistant Director of Nursing, a Nursing Unit Manager or a registered nurse in charge, as the case may be, who is employed permanently in charge at night, nor to an employee who requests to be employed on night duty and the Director of Nursing consents.

- (c) Moreover, except in cases of emergency, a trainee enrolled nurse shall not be employed on night duty for more than ten weeks in any one year of training nor shall a trainee enrolled nurse who is sitting for his or her final examination be required to perform night duty during a period of at least two weeks prior to the respective examination or on the two nights following such examination.

- (xiii) An employee changing from night duty to day duty or from day duty to night duty shall be free from duty during the 20 hours immediately preceding the commencement of the changed duty.

- (xiv) (a) Each employee shall be free from duty for not less than two full days in each week or four full days in each fortnight or eight full days in each 28-day cycle and no duties shall be performed by the employee on any of such free days except for overtime. Where practicable, days off shall be consecutive and shall not be preceded by an evening shift or a night shift unless an additional eight hours are granted as sleeping time. An evening shift shall be one which commences at or after 1.00 p.m. and before 4.00 p.m.

- (b) An employee, at his or her request, may be given free-from-duty time in one or more periods but no period shall be less than one full day.

- (c) For the purpose of this subclause, "full day" means - from midnight to midnight or midday to midday.

- (xv) (a) Employees may be required to remain "on call". Any such time on call shall not be counted as time worked (except insofar as an employee may take up actual duty in response to a call), but shall be paid for in accordance with clause 11, Special Allowances. Provided, however, that no employee shall be required to remain on call whilst on leave or on the day before entering upon leave.

- (b) No employee shall be required to remain on call while on a rostered day or days off nor on completion of the shift on the day preceding a rostered day off. This provision shall not apply where in special circumstances it is necessary for an employer to place staff on call on rostered days off or on completion of the shift on the day preceding a rostered day off in order to ensure the provision of services.

- (xvi) All rostered time off duty occupied by a trainee enrolled nurse in attendance at lectures and demonstrations given in the course of instruction in the theory and practice of nursing or during the time necessarily occupied in attending at and sitting for prescribed examinations shall be deemed to be time worked.

- (xvii) The provisions of paragraphs (a) and (b) of subclause (xii) and of subclause (xiii) and of paragraph (a) of subclause (xiv) of this clause, shall not apply if the employee is required to perform duty to enable the nursing service of the employer to be carried on or where another employee is absent from duty on account of illness or in an emergency.

3. HOURS OF WORK AND FREE TIME OF DIRECTORS OF NURSING

- (i) A Director of Nursing shall be free from duty for not less than nine days in each 28 consecutive days and such days free from duty may be taken in one or more periods.
- (ii) If any of the days mentioned in subclause (i) of this clause cannot be taken by reason of emergency, such day or days shall be given and taken within 28 days of becoming due.
- (iii) A Director of Nursing shall, where practicable, inform his/her employer by giving not less than seven days' notice of the days he/she proposes to be free from duty; provided that such days shall be subject to the approval of the employer, and such approval shall not be unreasonably withheld.

4. REMUNERATION PACKAGING

- (i) Where an employer intends to offer remuneration packaging generally to employees under this award, the employer shall notify the Association at least 21 days prior to making that general offer that it intends to make a general offer of remuneration packaging to employees under this award.
- (ii) Where the employer offers remuneration packaging to an individual employee, the employer shall allow the employee a period of no less than 21 days to seek independent advice on the terms of the proposed remuneration packaging.
- (iii) Remuneration packaging shall be introduced by agreement between an employer and the employee. Neither the employee nor the employer shall be compelled to enter into a salary packaging arrangement. Employees may exercise their rights to continue to receive their applicable salary.
- (iv) The terms and conditions of a package offered to an employee shall not, when viewed objectively, be less favourable than the entitlements otherwise available under the award and shall be subject to the following provisions:
- (a) The employer shall ensure that the structure of any package complies with taxation and other relevant laws.
- (b) All award conditions, other than the salary and those conditions as agreed in paragraph (c) below shall continue to apply.
- (c) Where packaging arrangements apply with a Director of Nursing (DON)

or a Deputy Director of Nursing (DDON), the employer and employee may by mutual agreement delete the application of certain award clauses, excepting clauses 22 Annual Leave, 24 Sick Leave, 25 Long Service Leave and 27 Personal/Carer's Leave.

- (d) (i) Employees will have the Superannuation Guarantee Contribution (SGC) calculated on their award salary prior to the application of any remuneration packaging arrangements.
- (ii) Employers shall, by no later than 31 December 2002, renegotiate any remuneration package in operation prior to 13 November 2002, where such package includes a SGC calculated on less than their pre-packaged award salary. The package must provide for future SGC contributions to be based on the pre-packaged award salary.
- (v) A copy of the agreement shall be made available to the employee.
- (vi) The employee shall be entitled to inspect details of the payments made under the terms of this agreement.
- (vii) The configuration of the remuneration package shall remain in force for the period agreed between the employee and the employer.
- (viii) Where at the end of the Fringe Benefit Tax year the full amount allocated to a specific benefit has not been utilised, it will be paid as salary, which will be subject to appropriate taxation requirements. By agreement between the employer and the employee, any unused benefit may be carried forward to the next period on the basis that any FBT obligation is accepted by the employee.
- (ix) In the event that the employer ceases to attract exemption from payment of Fringe Benefit Tax, the employer may terminate all remuneration packaging arrangements and the employee's salary will revert to the applicable award classification rate the employee would have been entitled to receive but for the remuneration packaging agreement.
- (x) One months notice by either party is required for change or termination of a remuneration packaging agreement, unless the change or termination is brought about by legislation or an increase to the award wage.
- (xi) In the event that the employee ceases to be employed by the employer this agreement will cease to apply as at the date of termination. Benefits not paid on or before the date of termination shall be treated as salary and the appropriate tax deducted.

- (xii) Pay increases granted to employees in accordance with this award shall also apply to employees subject to remuneration packaging arrangements.
- (xiii) Any allowance, penalty rate, overtime, payment for unused leave entitlements, other than any payments for leave taken whilst employed, shall be calculated by reference to the salary which would have applied to the employee in the absence of any remuneration packaging arrangements.

5. ROSTERS

- (i) The ordinary hours of work for each employee, other than the Director of Nursing, shall be displayed on a roster in a place conveniently accessible to employees.
- (ii) The roster shall, where practicable, be displayed at least two weeks, and in any event not less than one week, prior to the commencing date of the first working period in the roster.
- (iii) Notwithstanding the foregoing provisions of this clause, a roster may be altered at any time to enable the nursing service of the facility to be carried on where another employee is absent from duty on account of illness or in an emergency; provided that where any such alteration involves an employee working on a day which would otherwise have been such employee's day off, the day off in lieu thereof shall be as mutually arranged.
- (iv) Prior to the date of the changed shift, such change of roster shall be notified verbally or in writing to the employee concerned.
- (v) Where an employee is entitled to an additional day off duty in accordance with clause 2, Hours of Work and Free Time of Employees other than Directors of Nursing, of this award, such day is to be shown on the roster of hours for that employee.
- (vi) All rosters shall be retained for at least six years.

6. SALARIES

- (i) The minimum salaries per week shall be as set out in Table 1 - Salaries, of Part B, Monetary Rates.
- (ii) Where an employer appoints an Assistant Director of Nursing, Deputy Director of Nursing or Director of Nursing to be responsible for a hostel, then the following calculation will apply when calculating the adjusted daily average of hostel beds to be included for salary purposes:

Responsibility for Hostel	Nursing Home Bed	Percentage %
(1)	No responsibility	0
(2)	Partial responsibility: Where the assigned responsibility is limited to oversight of the operation of a hostel and liaison with a Hostel Supervisor (who has been appointed to supervise hostel staff in the performance of their duties and to carry out administrative and other tasks relevant to the operation of the hostel and the welfare and care of residents)	25
(3)	Total responsibility: No Hostel Supervisor engaged in the hostel over which responsibility has been assigned	100

Provided that every fraction of a bed resulting from this calculation shall be deemed to equal one nursing home ed.

- (i) For the purposes of this clause "transitional date" means the first pay period commencing on or after 1 March 1996.
- (ii) The year of service for the purpose of the incremental scale for a registered nurse employed at the transitional date shall be determined by locating the registered nurse's current year of service on the incremental scale in Column A of the Transitional Table in subclause (iv). The registered nurse's incremental year of service shall be deemed to be the year of service appearing opposite in Column B of the Transitional Table. Provided that a registered nurse with eight or more actual years of service shall be placed on the eighth year of service in Column B of the Transitional Table.

(iii) Registered nurses who commence employment with an employer after the transitional date shall have their year of service determined as if they were employed by the employer at the transitional date. - (ii) From the time of commencement of employment the nurse has three months in which to provide documentary evidence to their employer detailing any other 'service' or 'experience', as defined in clause 1, Definitions, not disclosed at the time of commencement. This evidence, in the absence of other documentary evidence may take the form of a statutory declaration.
- (iii) Until such time as the nurse furnishes any such documentation contemplated in subclause (ii) above, the employer shall pay the nurse at the level for which proof has been provided.
- (iv) If within three months of commencing employment a nurse does provide documentary evidence of other previous service or experience not disclosed at the time of commencement, the employer shall pay the nurse at the appropriate rate as and from the date of commencement that would have been paid from that date had the additional evidence been provided at that time.
- (v) If a nurse provides documentary evidence of other previous service or experience not disclosed at the time of commencement after the said three months period, the nurse shall be paid a rate appropriate for the previous service or experience then proved, but only from the date of providing that evidence to the employer.

If that proof is so provided, the nurse shall be paid at the higher rate as and from the date they were entitled to progress to the next year of service or experience. If the proof is provided outside that three-month period, the nurse shall be paid at the higher rate only from the date that proof is provided.

9. AVERAGE OCCUPIED BEDS

The average shall be taken for the 12 months ended 30 June in each and every year and such average shall relate to the salary of the Director of Nursing and Deputy Director of Nursing for the succeeding year. On request, an employer shall furnish to the Association a statement in writing showing the adjusted daily average of occupied beds for the twelve months ending on the preceding 30 June.

 - (d) Where an employee on remote call leaves the facility and is recalled to duty, she or he shall be reimbursed all reasonable fares and expenses actually incurred, provided that where an employee uses a motor car in those circumstances the allowance payable shall be calculated utilising the rate per kilometre in Item 6 of Table 2.

- (vii) An employee recalled to work overtime after leaving the employer's premises and who is required to work for more than four hours shall be allowed 20 minutes for the partaking of a meal and a further 20 minutes after each subsequent four hours' overtime; all such time shall be counted as time worked.
- (viii) The meals referred to in subclauses (vi) and (vii) of this clause shall be allowed to the employee free of charge. Where the facility is unable to provide such meals, the sum per meal set out Item 16 of Table 2 shall be paid to the employee concerned.
- (ix) Where an employee is required to work an overtime shift on his or her rostered day off, the appropriate meal breaks for that shift, as prescribed by clause 2, Hours of Work and Free Time of Employees other than Directors of Nursing, shall apply.

 - (e) Records of all time off in lieu of overtime owing to nurses and taken by nurses must be maintained by the employer.

19. PAYMENT AND PARTICULARS OF SALARIES

 - (b) two half days in addition to the ten named public holidays specified in the said subclause (vi) are proclaimed and observed as half public holidays.
- (viii) In areas where in each year one half day in addition to the ten named public holidays specified in the said subclause (vi) is proclaimed and observed as a half public holiday, for the purposes of this award the whole day is to be regarded and observed as a public holiday, and no additional public holiday which would otherwise apply as a result of this subclause will be observed.
- (ix) Employees engaged under this Part of this clause shall be entitled to all other benefits of this award not otherwise expressly provided for herein in the same proportion as their ordinary hours of work bear to full-time hours.

Such payment shall be in lieu of any additional rate for shift work or weekend work which would otherwise be payable had the day not been a public holiday.
- (b) To the leave prescribed by paragraph (a) of subclause (i) there shall be added one working day or one half working day for each special public holiday or half public holiday, not being one of the ten

- (c) To the leave prescribed by paragraph (b) of subclause (i) of this clause there shall be added one working day or one half working day for each public holiday or half public holiday which occurs on what would have been an ordinary working day during a period of annual leave; provided that in the case of a full-time shift worker the provisions of this paragraph shall apply to any public holiday falling during the period of annual leave.
- (iii) (a) An employee shall be eligible for annual leave when 12 months have elapsed since the date on which the first annual leave would have begun if taken immediately it had become due or, if the employee has not previously had annual leave, since the commencement of employment.
 - (c) Credit of time towards an allocated day off duty shall not accrue when an employee is absent in accordance with subclause (i) of this clause. - (b) Nothing in this subclause shall prevent an employer by agreement with the employee from allowing annual leave to an employee before the right thereto has accrued, but where leave is taken in such a case a further period of annual leave will not commence to accrue until the expiration of the 12 months in respect of which annual leave was taken before it accrued.
- (c) The employer shall give each employee, where practicable, three months notice of the date upon which he or she shall enter upon leave and, in any event, such notice shall not be less than 28 days.
- (vi) (a) Each employee before going on leave shall be paid for the period of the leave at the ordinary rate of salary to which he or she is entitled under this award. Where an employee has any period of permanent part-time employment during any 12-month qualifying period for annual leave, payment for such annual leave shall be calculated on the basis of the proportion that the average number of hours worked each week bears to 38.
- (b) An employee to whom paragraph (a) of subclause (i) applies shall be paid during the first 28 consecutive days while on annual leave his or her ordinary rate of salary plus shift allowances and weekend penalties relating to ordinary time the employee would have worked if he or she had not been on annual leave. Additional annual leave accrued under subclause (ix) attracts shift allowances and weekend penalties relating to ordinary time the employee would have worked if he or she had not been on annual leave. Provided that the provisions of the preceding paragraphs of this subclause shall not apply to public holidays which occur during a period of annual leave or days which have been added to annual leave in accordance with paragraph (b) of subclause (ii) of this clause and subclause (ii) of clause 15, Public Holidays.
- (vii) Except as provided in subclauses (viii) and (ix) of this clause, payment for annual leave shall not be made or accepted in lieu of annual leave.

- (viii) Where the employment of an employee is terminated, the employee shall be entitled to receive, in addition to all other amounts due, in respect of service of less than one year an amount equal to one-twelfth (6/46 in respect of employees rostered to work on a seven-day basis) of his or her ordinary pay for that period of employment, together with payment for any days added to annual leave in accordance with subclause (iii) of the said clause 15.
- (ix) (a) In addition to the leave prescribed by subclause (i) of this clause, employees who work their ordinary hours on Sundays and/or public holidays prescribed by clause 15 are entitled to receive additional annual leave as follows:

Number of ordinary shifts worked on Sundays and/or public holidays during a qualifying period of employment for annual leave purposes -

4 to 10	1 day's additional annual leave
11 to 17	2 days additional annual leave
18 to 24	3 days additional annual leave
25 to 31	4 days additional annual leave
32 or more	5 days additional annual leave

Provided that an employee may elect to be paid when proceeding on annual leave an amount equivalent to the value of his or her additional leave entitlement in lieu of taking the additional leave. Such election is to be made in writing by the employee at the commencement of each year of employment and is irrevocable during the currency of that year of employment.

- (b) On termination of employment, employees are to be paid for any untaken annual leave due under this subclause, together with payment for any leave in respect of an uncompleted year of employment calculated in accordance with this subclause, together with payment for any untaken annual leave due in accordance with subclause (viii) of this clause.
- (c) Permanent part-time employees shall be entitled to the benefits of this subclause in the same proportion as their average weekly hours of work bear to full-time hours.

23. ANNUAL LEAVE LOADING

- (i) Before an employee is given and takes his or her annual holiday or where, by agreement between the employer and the employee, the annual holiday is given and taken in more than one separate period, then before each of such separate periods the employer shall pay the employee a loading determined in accordance with this clause.
- (ii) The loading is payable in addition to the pay for the period of holiday given and taken and due to the employee under paragraph (b) of subclause (i) and paragraph (c) of subclause (ii) of clause 22, Annual Leave, or in the case of permanent part-time employees, for the period of holiday given and taken and due to the employee in accordance with the provisions of the *Annual Holidays Act, 1944*.
- (iii) The loading is the amount payable for the period or the separate periods, as the case may be, at the rate per week of 1714 per cent of the appropriate ordinary weekly time rate of pay prescribed by this award for the classification in which the employee was employed immediately before commencing his/her annual holiday, together with any allowances prescribed by subclauses (i) and (ii) of clause 10, Special Allowances.
- (iv) No loading is payable to an employee who takes an annual holiday wholly or partly in advance; provided that, if the employment of such an employee continues until the day when the employee would have become entitled under the said clause 22 to an annual holiday, the loading then becomes payable in respect of the period of such holiday and is to be calculated in accordance with subclause (iii) of this clause, applying the award rates and wages payable on that day.
- (v)
 - (a) When the employment of an employee is terminated by the employer for a cause other than misconduct, and at the time of the termination the employee has not been given and has not taken the whole of an annual holiday to which the employee became entitled, he/she shall be paid a loading calculated in accordance with subclause (iii) of this clause for the period not taken.
 - (b) Except as provided by paragraph (a) of this subclause, no loading is payable on the termination of an employee's employment.
- (vi) This clause extends to an employee who is given and takes an annual holiday and who would have worked as a shift worker if she/he had not been on holidays; provided that, if the amount to which the employee would have been entitled by way of shift work allowances and weekend penalty rates for the ordinary time (not including time on a public or special holiday) which the employee would have worked during the period of the holiday exceeds the loading calculated in accordance with this clause, then that amount shall be paid to the employee in lieu of the loading.

24. SICK LEAVE

- (i) Subject to the following limitations and conditions, an employee shall be entitled to sick leave on full pay calculated by allowing 76 rostered ordinary hours of work for each year of continuous service, less any sick leave on full pay already taken.
 - (a) An employee during his/her first year of employment with an employer shall be entitled to sick leave at the rate of 7.6 hours at the end of each of the first five months continuous service. Upon completion of six months continuous service the employee shall be entitled to a further 38 hours sick leave. For the purpose of this subclause, where service is continuous, each new entitlement will accrue at the monthly anniversary date of the commencement of employment, i.e., a person starting on 6 March would be entitled to their first 7.6 hours on 6 April.
 - (b) An employee shall not be entitled to sick leave on full pay for any period in respect of which such employee is entitled to workers' compensation; provided, however, that an employer shall pay to an employee who has sick leave entitlement under this clause, the difference between the amount received as workers' compensation and full pay. The employee's sick leave entitlement under this clause shall, for each week during which such difference is paid, be reduced by that proportion of 38 hours which the difference paid bears to full pay.
 - (c) All periods of sickness shall be certified to by the Director of Nursing of the facility or by the employee's own legally qualified medical practitioner. The employer may dispense with the requirements of a medical certificate when the absence does not exceed two consecutive days or where, in the employer's opinion, the circumstances are such as not to warrant such requirement.
 - (d) Each employee shall notify her/his employer of an absence from work due to illness or injury prior to the commencement of her/his rostered shift or as soon as practicable thereafter and shall, as far as possible, inform the employer of the estimated duration of the absence.

For the purpose of determining a full-time employee's sick leave credit as at 19 September 1986, sick leave entitlement shall be proportioned on the basis of 76:80.

- (ii) The employer shall not change the rostered hours of work of an employee fixed by the roster or rosters applicable to the 14 days immediately following the commencement of sick leave merely by reason of the fact that she or he is on sick leave.
- (iii) For the purpose of this clause, "service" means - service in the employment of an employer.

- (iv) For the purpose of this clause, continuity of service in the employment shall not be broken by:
 - (a) absences from such employment on account of illness;
 - (b) absences from such employment for the purposes of pursuing a post-graduate course in nursing (i.e. a course which results in obtaining a certificate, diploma or qualifications whether in Australia or elsewhere) and where the course is pursued outside Australia an employee shall be deemed to be absent for the purpose of pursuing the course throughout the time reasonably occupied travelling to the place of study and return to Australia, the actual duration of the course, a period of three months after completion of the course before returning to Australia and a period of one month after returning to Australia, provided that subclauses (iii) and (iv) shall only apply to persons employed in facilities conducted by members of the Aged & Community Services Association of NSW & ACT Incorporated.
- (v) Permanent Part-time Employees - A permanent part-time employee shall be entitled to sick leave in the same proportion of 76 hours as the average weekly hours worked over the preceding 12 months or from the time of commencement of employment, whichever is the lesser, bears to 38 ordinary hours. Such entitlements shall be subject to all the above conditions applying to full-time employees.
- (vi) With respect to an employee who is eligible for sick leave and who produces a satisfactory medical certificate to the effect that he/she has been incapacitated for a period of at least one week's duration while on annual leave, the employer may re-credit such employee with an equivalent period of annual leave, provided that no such re-crediting shall be granted to an employee on leave prior to retirement, resignation or termination of services and provided further the employer is satisfied on the circumstances and the nature of the incapacity.
- (vii) Subject to the provision of a satisfactory medical certificate and sick leave being due, extended or long service leave shall be re-credited where an illness of at least one week's duration occurs during the period of extended or long service leave; provided that the period of leave does not occur prior to retirement, resignation or termination of services.

25. LONG SERVICE LEAVE

- (i) For long service leave falling due prior to 20 February 1981, see *Long Service Leave Act 1955*.

- (ii) For long service leave falling due after 20 February 1981, the following provisions shall apply:
- (a) (1) Every employee after ten years' continuous service with the same employer shall be entitled to two months' long service leave on full pay; after 15 years' continuous service to an additional one month's long service leave on full pay; and for each five years' continuous service thereafter to an additional one and one-half months' long service leave on full pay.
- (2) Such leave shall be taken at a time to be mutually arranged between the employer and the employee as soon as practicable after each period of leave falls due, having regard to the reasonable preferences of each party. Where required by the employer, the term "as soon as practicable" shall mean that leave is taken by the employee within 12 months of the date that the leave falls due. The leave is to be taken in one continuous period unless the employer and employee agree otherwise.
- (3) Notwithstanding anything contained elsewhere in this clause, an employer and an employee may mutually agree that the taking of the leave be deferred beyond the initial twelve months referred to above. In such a case the employer and employee may agree that the employee shall be paid for that leave at the rate of pay applicable at the time of the agreement to further postpone the leave, and not at the rate of pay applicable at the time that the leave is taken. For any such agreement to be valid, it must be in writing and be signed by both the employer and the employee.
- (4) Where the service of an employee with at least five years' service is terminated, the employee shall be entitled to long service leave as follows:

For the first five years' service - one month.

For the next ten years' service - a proportionate amount calculated on the basis of one month for each additional five years. For the purpose of calculation, each completed whole month of continuous service gives an entitlement equal to 0.0722 weeks' pay.

For all subsequent service - a proportionate amount calculated on the basis of 1.5 months for each additional five years. For the purpose of calculation, each completed whole year of continuous service gives an entitlement equal to 1.2996 weeks' pay.

- (b) Subject to subclause (a) of this clause, where an employee has acquired a right to long service leave, then:
 - (1) If, before such leave has been entered upon, the employment of such employee has been terminated, such employee shall be entitled to receive the monetary value of the leave to which such employee has become entitled, computed at the rate of salary which such employee had been receiving immediately prior to the termination of employment.
 - (2) If such employee dies before entering upon such extended leave, or if, after having entered upon the same, dies before its termination, his/her widow/widower or, in the case of a widow/widower leaving children, his/her children or their guardians or other dependent relatives or their legal representatives, shall be entitled to receive the monetary value of the leave not taken or not completed, as the case may be, and computed at the rate of salary which the employee had been receiving at the time of death.
- (c) For the purpose of this clause:
 - (1) Continuous service in the same facility prior to the coming into force of this award shall be taken into account.
 - (2) One month equals four and one-third weeks.
 - (3) Continuous service shall be deemed not to have been broken by:
 - (A) absence of an employee from the facility while a member of the Defence Forces of the Commonwealth in time of war;
 - (B) any period of absence on leave without pay not exceeding six months.
- (d) Where any employee has been granted a period of long service leave prior to the coming into force of this award, the amount of such leave shall be debited against the amount of leave due under this award.
- (e) Except where the total actual service is less than five years -
 - (1) all service in facilities to which subclause (i) of clause 11, Climatic and Isolation Allowance, applies shall be counted as one and one-half times the actual time served;

- (2) all service in a facility to which subclause (ii) of the said clause 11 applies shall be counted as twice the actual time served.
- (f) Any period(s) of part-time employment with the same employer shall count towards long service leave as provided for in paragraphs (a) and (e) of this subclause. Such long service leave shall be paid for on the basis of the proportion that the average number of hours worked per week bears to 38.
- (g) Where an employee has accrued a right to an allocated day off duty on pay prior to entering a period of long service leave, such day shall be taken on the next working day immediately following the period of long service leave.

An employee returning to duty from long service leave shall be given the next allocated day off duty in sequence, irrespective of whether sufficient credits have been accumulated or not.

26. COMPASSIONATE LEAVE

- (i) In general, compassionate leave with pay should be granted only in extraordinary or emergent circumstances where a member of the staff of a facility is forced to absent himself/herself from duty because of urgent pressing necessity, and such leave as is granted should be limited to the time necessary to cover the immediate emergency.
- (ii) Any absence occasioned by personal exigencies which might fairly be regarded as an obligation on the employee rather than the employer to make good, should be covered by the grant of leave without pay or, if the employee so desires, charged against his/her annual leave credit.
- (iii) The following basic principles should be kept in mind when dealing with applications:
 - (a) (i) An employee, other than a casual employee, shall be entitled to a maximum of two days compassionate leave without deduction of pay, on each occasion of the death of a person as prescribed in subparagraph (iii) of this paragraph. Provided that, where the employee is involved in funeral arrangements, travelling, etc., leave may be allowed for up to three days.
 - (ii) The employee must notify the employer as soon as practicable of the intention to take compassionate leave and will, if required by the employer, provide, to the satisfaction of the employer, proof of death.
 - (iii) Compassionate leave shall be available to the employee in respect to the death of a person prescribed for the purposes of personal/carer's leave as set out in subparagraph (ii) of paragraph (c) of subclause (1) of clause 27, Personal/Carer's Leave, provided

that, for the purpose of compassionate leave, the employee need not have been responsible for the care of the person concerned.

- (iv) An employee shall not be entitled to compassionate leave under this clause during any period in respect of which the employee has been granted other leave.
 - (v) Compassionate leave may be taken in conjunction with other leave available under subclauses (2), (3), (4), (5) and (6) of the said clause 27. In determining such a request, the employer will give consideration to the circumstances of the employee and the reasonable operational requirements of the business.
- (b) Illnesses in the family - Except in very special circumstances, leave with pay should be limited to one day which, as a general rule, would prove sufficient time to meet the immediate emergency and allow the employee to make any other arrangements necessary. It would be expected that no one but the employee would be available to care for the sick member of the family.
- (iv) The above principles are not intended to codify completely purposes for which compassionate leave with pay may be allowed. The element of unforeseen emergency could be present in other situations, e.g., floods and bushfires, which clearly prevent attendance for duty.
 - (v) In view of the purpose for which compassionate leave is intended, it is not possible to prescribe a precise limitation of the amount of leave to be granted in a given period. It is suggested, however, that only under the most exceptional circumstances should leave exceeding a total of three days be granted to an employee in any year.

27. PERSONAL/CARER'S LEAVE

(1) Use of Sick Leave

- (a) An employee, other than a casual employee, with responsibilities in relation to a class of person set out in subparagraph (ii) of paragraph (c), who needs the employee's care and support, shall be entitled to use, in accordance with this subclause, any current or accrued sick leave entitlement, provided for in clause 24, Sick Leave, for absences to provide care and support for such persons when they are ill. Such leave may be taken for part of a single day.

- (b) The employee shall, if required, establish, either by production of a medical certificate or statutory declaration, the illness of the person concerned and that the illness is such as to require care by another person. In normal circumstances, an employee must not take carer's leave under this subclause where another person has taken leave to care for the same person.
- (c) The entitlement to use sick leave in accordance with this subclause is subject to:
 - (i) the employee being responsible for the care and support of the person concerned; and
 - (ii) the person concerned being:
 - (A) a spouse of the employee; or
 - (B) a de facto spouse, who, in relation to a person, is a person of the opposite sex to the first mentioned person who lives with the first mentioned person as the husband or wife of that person on a bona fide domestic basis although not legally married to that person; or
 - (C) a child or an adult child (including an adopted child, a step child, a foster child or an ex nuptial child), parent (including a foster parent and legal guardian), grandparent, grandchild or sibling of the employee or spouse or de facto spouse of the employee; or
 - (D) a same sex partner who lives with the employee as the de facto partner of that employee on a bona fide domestic basis; or
 - (E) a relative of the employee who is a member of the same household where, for the purposes of this subparagraph:
 - (1) "relative" means - a person related by blood, marriage or affinity;
 - (2) "affinity" means - a relationship that one spouse because of marriage has to blood relatives of the other; and
 - (3) "household" means - a family group living in the same domestic dwelling.
- (d) An employee shall, wherever practicable, give the employer notice, prior to the absence, of the intention to take leave, the name of the person requiring care and that person's relationship to the employee, the reasons for taking such leave and the estimated length of absence. If it is not practicable for the employee to give prior notice of absence, the

employee shall notify the employer by telephone of such absence at the first opportunity on the day of absence.

(2) Unpaid Leave for Family Purpose

- (c) Overtime taken as time off during ordinary time hours shall be taken at the ordinary time rate, that is, an hour for each hour worked.
- (d) If, having elected to take time as leave in accordance with paragraph (a) of this subclause, the leave is not taken for whatever reason, payment for time accrued at overtime rates shall be made at the expiry of the 12-month period or on termination.
- (e) Where no election is made in accordance with the said paragraph (a), the employee shall be paid overtime rates in accordance with the award.

(5) Make-up Time

- (a) An employee may elect, with the consent of the employer, to work "make-up time", under which the employee takes time off ordinary hours and works those hours at a later time, during the spread of ordinary hours provided in the award, at the ordinary rate of pay.
- (b) An employee on shift work may elect, with the consent of the employer, to work "makeup time" (under which the employee takes time off ordinary hours and works those hours at a later time), at the shift work rate which would have been applicable to the hours taken off.

(6) Additional Rostered Days Off

- (a) An employee may elect, with the consent of the employer, to take a rostered day off at any time.
- (b) An employee may elect, with the consent of the employer, to take rostered days off in part day amounts.
- (c) An employee may elect, with the consent of the employer, to accrue some or all rostered days off for the purpose of creating a bank to be drawn upon at a time mutually agreed between the employer and employee, or subject to reasonable notice by the employee or the employer.
- (d) This subclause is subject to the employer informing each union which is both party to the award and which has members employed at the particular enterprise of its intention to introduce an enterprise system of RDO flexibility, and providing a reasonable opportunity for the union(s) to participate in negotiations.

(7) The provisions of this clause will have no application to employees of bodies established by the Catholic Church to propagate religion.

- (iii) Nothing in subclause (i) of this clause shall preclude any nurse from being required to perform all or any of the specified duties, at any time when domestic staff is not available to perform them; provided that the employer has made all reasonable efforts to obtain domestic staff.
- (iv) Subject to subclause (i) of this clause, an employer may direct a nurse to carry out such duties as are within the limits of the nurse's skill, competence and training. Such duties may include work which is incidental or peripheral to the nurse's main tasks, provided that such duties are not designed to promote deskilling.

Any employer may direct a nurse to carry out duties and use such equipment as may be required, provided that the nurse has been properly trained or has otherwise acquired the necessary skills in the use of such equipment. Any such direction issued by the employer shall be consistent with the employer's responsibility to provide a safe and healthy working environment for nurses and the employer's duty of care to residents.
